

We're hosting a Bike Rodeo!

Manitoba Public Insurance (MPI) is offering a Bike Rodeo presentation on

June 6, 2026, at 170 Fleetwood Rd.

The Bike Rodeo begins with an introductory level review of road safety, including proper helmet fitting and basic bike maintenance. After the presentation, students will head outside to practice their cycling skills on a mock-road course.

The course requires basic starting, stopping, and turning abilities while maintaining control of the bike. Participants are encouraged to practice using their hand signals.

Please ensure your child comes prepared with their bike and helmet, and proper footwear for cycling (no sandals or flip flops).

- For participants who do not have a bike or helmet and would like to participate, please let your classroom teacher know so we can arrange one with MPI.

For those who may find the course too challenging, we encourage them to join us anyway! Students can participate as a pedestrian walk through the course to practice using hand signals and following street signs.

A waiver is included for the Bike Rodeo. All participants require a signed waiver to participate.

If you have any further questions, please contact the WRCC at generalmanager@whyteridge.ca

Thank you!
